Bandera County, TX District Clerk

I have used ConfirmDelivery for the last year and being a small county with a small budget, I am always looking for ways to save the county money. With ConfirmDelivery I immediately saw a way to accomplish two goals; one was to save money on Certified and Priority Mail and the other was the ability to track the mail to ensure a timely delivery. With the money I saved on postage I did not have to increase my budget, to the delight of the County Judge and Commissioners.
